▶ When you've got a flight to catch, you want an executive chauffeuring company you can rely on – every time. Traveliner Airport Express have been serving the public throughout Oxfordshire and beyond for over eight years. And we're proud of the fact that our customers use us again and again.

If your airport is anywhere in the UK, we'll take you to it. But there's much more to our service than that. We also arrange transfers to ports, delivery to and collection from all major train stations including St Pancras International, medical runs, school runs, courier services and group bookings. And if you need anything we haven't mentioned, just ask.

Our drivers are professional, our cars are immaculate – and our service is second to none. Why not try us out today?

## ▶ Services

Here are the main services we offer; but we would also be pleased to quote on anything else you might need.

Here are the main services we offer; but we would also be pleased to quote on anything else you might need.

### Trains, boats and planes

Many of our customers think of us first and foremost as a dependable transfer service. We know that going to or from an airport, a major railway station or a seaport calls for complete dependability – and that's exactly what we provide. We have standard prices for all UK airports and all major railway stations. We can also quote you for transfer to or collection from any seaport or other destination.

### Medical and school

If you need medicine or other medical supplies in an emergency, we can help. We can deliver them to a hospital, transport them between hospitals, or deliver them to any other organisation in the UK. And if you need help with the school run, we're always available.

### Group bookings

If you need to arrange transport for larger numbers, talk to us first. We can handle group bookings for up to 18 passengers being transferred at one time. We also offer special rates for larger bookings.

## ▶ Why Traveliner?

The three most important reasons to use us are that we're fast, reliable and affordable. We'll get you where you want to go, on time and at a very competitive price. If you've ever been let down or frustrated by an executive chauffeuring firm, you'll know how important all those things are.

That's just the start, however. Our cars are always beautifully clean and fully valeted – and they're driven by genuinely professional drivers who are friendly, helpful, polite and appropriately dressed. They're also all Council-approved and registered.

We offer a meet-and-greet service at transport terminals and events, and a courier service if you need to get important or confidential deliveries to a destination fast – without having to worry about it getting lost in the post.

**Plus we're available 24 hours a day. So whenever you need us, we're there for you.**

is about  
service

## ► About Us

While some of our rivals are here today and gone tomorrow, we've been in business for over eight years. The difference is about service. We've grown and expanded our operations, even in the recession, because our clients know they can count on us to never let them down.

We started by offering our above-average services to the North Oxfordshire area. We now cover the whole county of Oxfordshire and a number of areas beyond that.

As well as serving the public, we have also established many corporate accounts. When it comes to executive chauffeuring, you can't afford to take a chance with firms that don't live up to their promises. Not all companies in Oxfordshire are equal. Some are unreliable, some are unprofessional, and some are overpriced.

## ► Frequently asked questions

### How do I pay?

**A:** We accept all major credit cards as payment or you can pay by cash on the day.

### Will I be charged extra if my flight is delayed?

**A:** No; after all, why should you have to pay for something that isn't your fault? We check your arrival time before we dispatch your driver.

### Where will I be met at the airport?

**A:** Your driver will be waiting for you in the arrivals area. If you have provided your mobile number we will call you if we have difficulty finding you. You can also ring us if you wish, and we'll pass on any message to your driver.

### Do you operate a fixed price policy?

**A:** Yes, the price you're quoted is the price you pay. This allows for up to 40 minutes waiting time after the plane lands. After that, each 15 minute period will be charged at £5. Car parking is to be paid to the driver, who will give you a receipt.

### Are your prices per car or per person?

**A:** All our prices are quoted per vehicle. Check our website for vehicle capacity details.

### How early should I book my car?

**A:** You should book it at least 24 hours in advance. If you need a car at shorter notice, please call us to confirm availability.

### Will you meet me at any time of day?

**A:** Yes, for any journey between 22.00hrs and 06.00hrs, a supplement of £10 per party is applicable.

### What is your cancellation policy?

**A:** We refund your booking in full providing you tell us you don't need your car up to 1 week prior to the booking. We don't give refunds after that time has elapsed.

**If you have any other questions, please contact us now and we'll do our best to answer them.**
